ABOUT THE ACADEMY

This program is available for students in grades 7, 8 & 9.

RPM & Don Ross Middle School have developed a program & curriculum that provides students with the opportunity to balance their educational requirements while developing their hockey skills.

RPM provides personalized instruction that educates and develops students in both the physical and mental aspects required to excel in hockey. The school and RPM, in consultation with students and parents, help design a personalized teaching plan catered to meet each player's individual needs.
