Character-Integrity-Tradition

This program is available for students in grades 8 to 12.

RPM & PVSS have developed a program & curriculum that provides students the opportunity to balance their educational requirements while developing their hockey skills.

RPM provides personalized instruction that educates and develops students in both the physical and mental aspects required to excel in hockey. The school and RPM, in consultation with students and parents helps design a personalized teaching plan catered to meet each player's individual needs. Students are tested both on and off the ice monitoring their individual improvements.

Due to Covid restrictions the academy may be modified to ensure we follow Safety Guidelines & Protocols.

The academy meets all academic requirements.

Academy Administration

My son he has become an outstanding student by mixing school with the sport he loves.

Putting Mitch in the Hockey Academy was the best thing I ever did for his hockey development .

He not only brings home great marks, but he also looks forward to going to school every day.

Building great kids in the classroom, on ice and in their community!
